Chrome Rear Brake Backing Plates

These backing plates are accurate reproductions of the obsolete and difficult-to-find Original Equipment parts. They fit all Big Twin models with hydraulic rear brakes from 58-72 and come complete with brake shoe retaining clips as well as the necessary chrome mounting hardware.

- 19050** 58-62 models (replaces OEM 41650-58)

- 19052** Chrome backing plate. Fits Big Twin models 63-72. Replaces OEM 41650-63

Note: Although every effort has been made to produce a cosmetically perfect part, because of the complexities of polishing these backing plates prior to plating, the chrome may appear to be flawed in some small areas.
