

**Steering Bolt Collar by Joker Machine**

Replace that ugly stock screw with this sharp looking kit. Comes with screw and collar. For all XL models.

- 684979 Black trim collar
- 684980 Chrome trim collar

**CPV 3 Degree Raked Frame Cups**

Precisely machined from stainless steel. These cups will give your fork an extra 3 degrees of rake and kick out your front wheel for that long look. May cause riser to tank clearance issues depending on application.

- 683446 Fits Big Twins from 49-88 and most custom frames

**Polished Stainless Internal Fork Stop Kit by Pro-One**

Innovative system uses special fork cups that provide positive fork stops that are completely invisible. Bolt-on option for Pro-One billet triple trees, other trees may require minor modification.

- 65269 Includes bearing cups, stop and dust cover

**Kodlin Internal Fork Stop Kit**

Stainless steel internal fork stop kit with decorative grooves for use with aftermarket billet aluminum triple trees.

- 85850 Fits all Big Twin models 60-88 and aftermarket frames

**3 Degree Raked Fork Cup Sets**

Permit you to rake your bike without having to cut and weld your frame! Offered with or without fork stops, and available in styles to fit a variety of models as noted below. Fork cup sets come with bearings. Made in USA by Motorway.

- 632004 Fits 49-84 FL/FX/FXWG, 84-88 Softail and most custom frames. With fork stop lug
- 632005 Fits 57-78 XL cup set with bearing conversion. With fork stop lug
- 632006 Fits 49-84 FL/FX/FXWG & 84-88 Softail and most custom frames. No fork stop lug
- 632007 Fits 57-78 XL cup set with bearing conversion. No fork stop lug

**Chrome Frame Neck Cup and Bearing Kit**

Includes frame cups, races, 2 Timken bearings and chrome dust shields.

- 12253 Fits Big Twins from 49-88 and most custom frames

**Polished Stainless Steel Internal Fork Stop Kit**

These kits come with a highly polished fork cup with a nice looking stepped design on them. These are a must for custom frames that need frame cups. They are complete with bearings, cups, races, stop and dustcover. Fit 49-88 OEM frames and most aftermarket frames.

- 640721 Complete kit

**Chrome Frame Cups and Bearings for 78-81 Sportster Models**
