### 39 mm Low Profile Fork Caps by Lowbrow

In addition these are half the height of the stock caps (see photo). Perfect for all owners of H-D 48's that have integrated risers in their top tree. The stock caps are too tall and don't allow for a handlebar with a wider base. Available in three styles and materials!

- 655848** 39 mm, brass
- 655849** 39 mm, aluminum
- 655850** 39 mm, black anodized
