### Custom One-Piece Stretched Tanks for Twin Cam Softail Models

Are you looking for a way to give your stock Softail a 'custom look'? Then look no further... Custom Chrome has just what you're looking for. These tanks are stretched 2" and have all the tabs to mount your stock dash. They accept late model screw-in gas caps and also have provisions for the stock fuel gauge. They're available for both fuel injected and carbureted models.

**601297** Fits carbureted Softail models from 00-03, 5 gallons

**601298** Fits fuel injected Softail models 00-05 (except Deuce models, 04-06 carbureted models)

Note: All fuel tanks should be test fitted and pressure tested before painting. Installation of this seat may require a custom seat due to their longer lengths.

Note: Fuel tanks, particularly where custom paint is planned, must be pressure tested and sealed with CCI tank sealer 670675 before painting to protect the final finish and prevent internal rust.

### Custom Smooth-Top Gas Tanks for FXR Models

Our 2" stretch tanks are new stampings rather than using welded tips to achieve stretch. They come with flush-mount locking gas cap (included). Single cap tanks have inlet offset to the right side. Tanks fit all models from 82-99 and have a 4.0 gallon capacity. Models with stock turn signals mounted to the top triple tree must relocate them to avoid contact with the tank.

**15696** 2" stretch with single flush locking cap (cap is included)

**15639** Replacement dual flush locking caps

### Custom 'Bobber Style Gas Tanks' by Cole Foster

An absolutely beautiful new tank designed with the keen styling of Cole Foster - Salinas Boyz Customs. The tanks feature a mini pop-up gas cap, and a unique raised tapered bead down the center of the tank. Each tank has been designed to fit to stock frames but can also be easily adapted to any custom application. They use the existing stock rubber mounts or are included as needed. Fuel capacity is 2.35 gallons.

**600155** Fits Evolution Softail models from 84-99 and 4-speed FX and FL models

Note: These applications require the front frame dash mount to be cut off and rear screw hole modified.

**600157** Fits carbureted Twin Cam 88 Softail models from 00-06

**600154** Fits Sportster models from 82-03

### Replacement Gas Caps

**47775** Stainless Steel (sold each)

**47777** Chrome (sold each)

**683620** Gas Cap Gasket
