### Stainless Steel Gas Cap Sets with Paint Protectors by Landmark

Never chip or scratch your paint again. Durable alloy paint protector screws into the stock filler neck offering a permanent air tight seal. The polished stainless steel gas cap threads into the protector. Fit all models with screw-top tanks.

For Models from L96-Up

'Bandit'	'Renegade'	
16502	16504	Matched cap set with left and right-hand threads
16503	16505	'Bandit' peaked style single vented gas cap kit

Note: In mid-96 the OEM tank design changed. The gas tank bung on these later models DOES NOT have any welding bead above the sheet metal surface of the tank.

For Models from 82-E96

'Bandit'	'Renegade'	
16491	16493	Matched cap set with left and right-hand threads
16492	16494	Single vented cap

### Low Profile Stainless Steel Gas Cap Sets

These polished gas caps feature an extremely low-profile with either a peaked or domed top design. They fit all models with screw-type gas tanks from late 96-Up. Sold in matched sets with left and right hand threads.

- 15850** Peaked set
- 651858** Black, Peaked set
- 15851** Domed set
- 651859** Black, Domed set

### Baby Moon

### Ness-Tech 'Low Gravity' Screw-in Gas Caps

This low profile, between 1/4" and 3/8"-tall, chrome-plated billet aluminum design stands out in style! Ratcheting mechanism provides proper torque and alignment. Vented gas caps have a right-hand thread, and non-vented caps have a left-hand thread. Sold each.

Fit all Models from 82-E96

Vented	Non-Vented	
05187	05188	Baby Moon

Fit all Models from L96-14

Vented	Non-Vented	
05728	05729	Baby Moon

### Küryakyn Replacement Gas Caps

Sometimes they get lost, sometimes they get stolen, & sometimes they just wear out. Vented or non-vented, these chrome-plated gas caps are a fraction of the cost of stainless steel caps.

- 605194** Peaked Low Profile Gas Cap (R.H. Thread) - Vented (ea)
- 605195** Peaked Low Profile Gas Cap (L.H. Thread) - Non-Vented (ea)
- 605196** Stock Style Gas Cap (R.H. Thread) - Vented (ea)
- 605198** Domed Low Profile Gas Cap (R.H. Thread) - Vented (ea)
- 605199** Domed Low Profile Gas Cap (L.H. Thread) - Non-Vented (ea)

### Flush Mount Pop-up Caps for Sportsters
