

## Custom Mini Gas Cap Kit

The gas cap is CNC-Machined from billet aluminum with a knurled edge with a satin/raw finish (gas cap has an O.D. of 1.75"). Kit comes complete with gas cap and steel weld-in bung.

**641909** Mini weld-in gas cap

## 'Live To Ride' Gas Cap Covers

Covers with chrome eagles feature a 'A Way of Life' banner. Gold eagles have 'Eagle Spirit' banners. They attach with double-sided foam tape and fit all late model gas caps (except molded plastic caps).

### 'A Way of Life'

**19006** Chrome eagle (sold each)

### 'Eagle Spirit'

**19037** Gold eagle (sold in pairs)

## 3-Dimensional Gas Cap Covers

Distinctive covers are sand-cast from hand-carved originals. Designed to fit over OEM style caps. Glue them on with 5-minute epoxy, or use silicone adhesive. Sold each.

**37863** Skull

**37868** Flame

## Polished Aluminum Skull Gas Cap Cover

Multiple skull design cast from an original hand-carved mold. Attaches to OEM style gas caps with epoxy (not included).

**37735** Sold each

**08661**

## Aircraft-Style Gas Cap Sets

Low profile high-tech gas caps. Designed to be used with the aircraft-style tanks on this page.
