- 19480** 3.5 and 5.0 gallon left side tanks from 65-82 (repl. OEM 61116-65)

260023

Screw-in Gas Caps with Aircraft Look

Now you can enjoy the high-tech aircraft cap look without the hassle of re-working your existing tanks. These screw-in gas caps are chrome plated, solid billet aluminum and have actual countersunk stainless Allen head fasteners around the outside edge. Center lever raises and lowers just like other aircraft caps, except turning it removes the entire cap, not just the center plug. No modification required, fits 83-95 (except FLT and fuel gauge cap). Caps are non-locking.

- 260023** Gas cap set. Includes one vented and one non-vented
- 260022** Vented (right side, right hand threads)

651863

260005

Early-Style Gas Caps for Late 65-72

Chrome gas caps for Big Twin and Sportster models from 65-72 (except FLT and FXR models).

- 260005** Gas cap set. Includes one vented and one non-vented (repl. OEMs 61103-35 and 61103-65)
- Black**
- 651863** Black gas cap set. Includes one vented and one non-vented (repl. OEMs 61103-35 and 61103-65)
- 651864** Black vented (repl. OEM 61103-35)

651853

26580

Steel Gas Caps

Perfect mechanical reproductions of the Original Equipment parts. The low-pressure relief vent is properly recessed in the cap to clear the filler neck vent tube. For screw-style tanks from 83-95.

Chrome

- 26580** Set of left and right caps
- 26582** Right side cap only (vented) replaces OEM 61102-83A
- 26581** Left side cap only (non-vented) replaces OEM 61103-83

Black

- 651862** Black set of left and right caps
- 651853** Black right side cap only (vented) replaces OEM 61102-83A
- 651861** Black left side cap only (non-vented) replaces OEM 61103-83

Screw-In Stainless Steel Gas Caps for Models from 83-95

"Screw-In" gas caps for Big Twin and Sportster models 83-95 (except FLT and fuel gauge cap).

- 260077** Vented (right side - right hand threads). Replaces OEM 61102-83A
- 260078** Non-vented (left side - left hand threads). Replaces OEM 61103-83
- 260073** Gas cap set. Includes one vented and one non-vented cap
