Chrome 'Winged' Oil Tanks for Twin Cam Softail Models by Santee

Fits 00-Up Twin Cam Softails. Available with either a side or center fill spout. Replaces OEM #62498-00A.

'Winged' Oil Tanks

650237 Chrome 'Winged' side fill

650236 Chrome 'Winged' center fill

'Standard' Oil Tanks

Fits 00-Up Twin Cam Softails. Replaces OEM #62498-00A.

650245 Chrome side fill

Unpainted Oil Tank for Softail Models

Perfect for custom painting, this original style oil tank features heavy gauge steel construction and a built in battery box. May also be used on most aftermarket Softail frames.

270148 Fits all Softail models from 89-99 (repl. OEM 62498-89A)

'Winged' Oil Tanks for Rigid Frames

Small 'wing' extensions at the rear of the tank fill any gaps between the rear fender and oil tank for a superb smooth, flowing look. They hold 3 1/2 quarts and have built-in battery boxes that accept stock FXE batteries. Available with right side filler neck or smooth looking center filler. Tanks fit all Original Equipment rigid frames from 36-57 and most custom rigid frames with either steel or aluminum primaries. Complete with cap. Accept most stock oil lines or custom steel-braided lines.

12807 Side fill tank

Oil Tank for Softail Models

A perfect chrome replacement for the Original Equipment oil tank. Fits all Softail models from 89-99.

78307 Replaces OEM 62498-89A

Custom 3 qt. 'Barrel' Style Oil Tanks by Santee

These Chrome steel oil tanks were styled after the classic 'Barrel' tanks on choppers from the 60's and 70's. They have a universal mounting system so they will fit just about anything and are available with or without a spin-on filter. Kits include 3 rubber mounts and tank cap.

650231 3 qt. round oil tank

650232 3 qt. round oil tank with spin-on filter

"Hard Times" Finned Oil Tank from Crime Scene Choppers

This new oil tank is unlike anything you've ever seen! Features deep cooling fins

and an internal oil filter using a stock-style, drop-in filter element. The tank measures 6" in diameter and 11 1/2" long, and has four 1/4"-20 mounting bosses (two on top, two on the back). Bolting one of these bad boys on your ride is guaranteed to get everyone's attention! The tank is made of aluminum with a fine satin finish to match the other Crime Scene Choppers products available in this Handbook. Tank comes complete with a chrome OEM FL style oil filter cap with drop-in filter, a chrome filler cap, four mounting bosses and a magnetic drain plug and washer. Made in USA.
