

Bobber-Style Oil Tanks with Battery Box

Here is a old school oil tank for your next bobber bike project. Chrome steel tanks with built-in battery boxes come with front rubber mount and tank cap included. They fit Big Twin rigid frames from 36-57 and most custom rigid frames on the market today, also 84-99 Softail models. Lines come out of the bottom of the tank for a nice clean look.

"Vendetta" Finned Oval Oil Tank by Crime Scene Choppers

This oil tank is simply stunning! Its styling matches the "Vendetta" Oil Filter, and has some very very unique features. The tank mounts using two stainless straps, and can be oriented either horizontally under your seat, or as a vertical side mount tank the way you've seen Chica build 'em. The Vendetta tank comes complete with stainless mount straps, rubber channels, fittings, fill cap and mount bars. Cast aluminum, approx. 11.5" wide x 3" tall and 6" deep. Holds approx. 2 1/4 quarts of oil. Matches all the other cool Finned stuff available in this Handbook, and available in a satin finish or chrome plated. Made in USA by Joe & crew at Crime Scene Choppers.
