Colony Tool Box Mounting Kit

36183 A complete hardware kit for mounting the tool box on models from 36-61.

Teardrop Toolboxes for Softail Models

Add a classic touch to your Softtail model with a chrome-plated replica of the toolbox used from 40-59. The chrome-plated mounting brackets are held by the fender support bolts and passenger footrest. Left-side kit is ideal for Fat Boy and FLSTN models because of the shotgun exhaust. Fit Softtail models from 84-99 (except 90-11 Heritage Softail Classic models).

Cruz Tools EconoKit VR1 for V-Rods

The exciting V-Rod and Street Rod family is touted as metric, which isn't entirely correct. There's still some legacy fractional items, plus the Motor Company's beloved Torx fasteners. So we designed a kit specifically for the Rod that's highly capable using our exclusive PowerDrive wrenches, plus loads of other tools and roadside items - all packed in a durable 600-denier polyester pouch.
