

**"Pimpin'" Seats with Chrome Buttons For Softails**

Here ya go.....our out of sight "Pimpin" seat is now available for 84-99 Softails! Featuring a diamond stitch and chrome buttons, our "Pimpin'" seats are patterned after the seats of the 60's. Constructed with a durable resin base that's covered with felt to eliminate any scratching to your frame, then upholstered with high quality black, red or white naughyde. These 2-up seats bolt right on to any 84-99 Softails, and hug the lines of the frame perfectly! One cool lookin' seat..... Pimpin'!

**Old School Solo Seat Metal Flake - Diamond**

Metal flake versions of our diamond stitched "old school" solo seat. Patterned after the old "Bates" style seats of the 60's, these solo seats measure 12 1/2" long X 9 1/2" wide. Constructed with a formed steel base and covered with high quality blue, red, charcoal or green "Zodiac" metal flake covering in a diamond pattern, these seats not only look good but are built to last as well! Seats mount to any frame using seat springs and appropriate mounting brackets also available in this handbook. Check out our matching metal flake grips...super cool when used together!

**Retro Solo Seat Metal Flake - Smooth**

These "Retro" solo seats use the "Slimline" narrow baseplate, but have just a little more padding for added comfort. Flipped up in the back for support and to keep you from sliding off when you give it the gas, they measure 11 1/2" long X 9 1/2" wide. Constructed with a formed steel base that won't crack like fiberglass bases, and covered with a high quality "Zodiac" metal flake covering in your choice of blue, red, charcoal, silver or green. Seats mount to any frame using seat springs and appropriate mounting brackets that are also available in this section of the handbook. A great look when combined with our metal flake grips!
