

Biltwell Seat Hinge Bung

Seat hinge bung to be welded on the frame as perfect replacement for our Biltwell seat bracket kits (684739, 633243).

653696 Seat hinge bung

Solo Seat Mounting Bracket

Chromed rear bracket for Big Twin rigid-frame models thru 57 or custom rigid frames. Use 1" P-clamps for mounting bracket to frame cross bar. Use in conjunction with our #12442, #15162 or #632028 front seat mounts.

12561 Rear Mounting bracket

Solo Seat Mounting Bracket for Sportster Models

Chrome rear bracket for use with solo seat springs (CC #29100) and universal front seat brackets (CC #'s 12442 and 12563) for custom solo seat installations.

12562 Fits all Sportster models (except XLCR) 57-78

Solo Seat Bracket for Softail Models

Chrome custom solo seat bracket set for all Softail models from 84-88. Includes seat crossbar and special design front bracket with hardware. Solo springs (CC #29100) should be purchased separately.

12564 Complete kit

Seat Hold-Down Screw Repair and Replacement Set

Mirror-polished stainless steel kit repairs stripped-out seat hold-down screws. Also excellent for adding a seat hold down screw to custom fenders. Drill stripped nut out and bolt in the replacement screw. Mounting spacer keeps the seat tab from scratching fender paint.

29002 Complete kit
