

### Chrome Saddlebag Supports

Designed to fit the contours of the fender struts and protect your bags from the brake caliper and swingarm. Sold in sets.

**37057** Fits 4-speed FL and FX models from 71-86 (repl. OEM 90584-85)

**37058** Fits all Softail models from 84-99 (repl. OEM 91790-84A)

### Universal Saddlebag Hard Mount Kit

For all Willie & Max saddlebags equipped with full plastic tube reinforcing. The kit can also be used with any throw over style bag that has a reinforced backing or internal tube for rigidity and load dispersing. The Hard Mount Kit will work on most metric cruisers as well as most Harley-Davidson applications. Your specific application may require additional hardware depending on accessories installed, year, make and model of your motorcycle.

**7331221** Hard mount kit (MFG #HM633)

### Heavy Duty Saddlebag Support Brackets

Ever had a cracked saddlebag support bracket? Maybe even more than just once? We have the solution, our brackets are 15% thicker than stock, available in chrome or black.

**651015** Saddlebag support brackets for 85-08 Touring models, chrome

**651016** Saddlebag support brackets for 85-08 Touring models, black

### Chrome Saddlebag Supports for Dyna Glide Models by Khrome Werks

Designed for throw-over type saddlebags, these support brackets hold saddlebags away from the brake caliper and belt guard. Does not require turn signal relocation. Mounting hardware included. Compatible with Khrome Werks sissy bar side plates. Made in the USA. Sold in pairs.

**631031** Fits all Dyna Glide models (except FXDWG/F) from 06-Up

**631032** Fits FXDWG models from 06-08, FXDF 08-Up

### EZ-Off Saddlebag Supports

Unlike most of the parts we sell, these American-made saddlebag supports were designed to be removed. They feature beautifully chrome-plated 3/8"-diameter bar stock blend-welded to slotted brackets. They're quickly installed or removed by simply loosening their mounting hardware and slipping them off. Ideal for those of you who travel on your saddlebag-equipped bikes to 'ride-in' shows.

**37054** Fits all Softail models from 86-13 (except Fat Boy and FLSTN models, not for Deuces)

**37053** Fits 4-speed Big Twin models (except Softail models) from 58-86 (shown)

### Khrome Werks Chrome Saddlebag Supports

Custom supports to hold saddlebags secure and keep them from settling against rotating wheels or against mufflers. Include mounting hardware. Similar to Original Equipment supports. Made in the USA.
