

## Classic Heavy Duty Windshields from National Cycle

The classic Heavy Duty shields from National Cycle feature their state-of-the-art Quantum coating on Lexan polycarbonate material. All Heavy Duty windshield frames feature highly polished chrome steel outer hardware with non-glare black epoxy coated steel inner straps\* and are available in two frame widths and six sizes to ensure proper proportions to motorcycle style and rider height. This classic style with the an adjustable center window allows some fine tuning in the height and the ability to adjust for light bar, chrome lowers or other clearances. Mounting hardware is chrome plated steel and will vary depending on application.

\* Inner straps on Beaded Heavy Duty windshields are zinc plated.

## Wide Frame Heavy Duty Windshields

### Touring Heavy Duty

The Touring Heavy Duty offers plenty of height and width for outstanding wind, rain, and bug protection. The classic look ensures the shield enhances the front end of your bike.

**33100** Windshield ONLY (MFG #N2210); mounting kit sold below

### Chopped Heavy Duty

The Chopped Heavy Duty has a wide screen and low profile to make it the preferred choice of many riders. The Chopped provides excellent protection for the chest and shoulders, and enables most riders to look over the screen.

**15370** Windshield ONLY (MFG #N2270); mounting kit sold below
