Beaded Heavy Duty Windshields

H: 19 1/2" - 22 1/2" W: 21"

Beaded Heavy Duty Windshield by National Cycle

Timeless classics from National Cycle are made from the finest materials, and are the perfect finishing touch for your Big Twin, whether it's a 60 FL or a 95 Heritage Softtail model. Three-piece construction entirely from Lexan polycarbonate including the adjustable center windows. They measure 19 1/2" to 22 1/2" tall and 21 1/2" wide depending on the application. Top portions are FMR hardcoated for superior scratch resistance and framed with a nostalgic bead edge.
