### Kuryakyn Adjustable Cruise Pegs for Sportster

These super adjustable cruise pegs for Sportsters are quick and easy to install and provide a wide range of adjustment. They bolt securely to the welded cross brace near the bottom of the downtubes and work on models with or without forward controls. Accepts any style male mount footpegs.

**605160** Cruise Pegs for 04-13 Sportster Models

### Transmission Mount Passenger Peg Bracket for Big Twins

Fits Big Twins with rigid frames. Use with any 3/8" stud-mount footpegs.

**12686** Sold each

### Chrome Adjustable Highway Peg Mounts for Sportster Models

- Footpeg mounting arms are adjustable and can be mounted in three pre-set positions to match the riders heights and preferred riding position
- Features black mounting brackets with chrome footpeg arms and clevises
- Includes all required mounting hardware
- Accepts most standard male mount pegs

**610362** Fits all Sportster models from 04-13

### Adjustable Footpeg Kit for Models with Forward Controls

Fits into the female footpeg clevis' on models with forward controls. Pegs may be rotated in a 360° arc. Kit includes everything necessary to make the conversion (except footpegs) and features flawless chrome-plating on the individual components.

**09890** Fits Dyna Wide Glide, FX Softail and 4-speed FXWG models 83-Up

Note: Passenger footpegs are not included in the kit.

### Offset Chrome Footpeg Extensions

Provide long-legged riders with an inexpensive method of stretching out their legs without moving their controls. They move the footpegs out 3 1/2" from the centerline of the motorcycle and 2" forward. Fits FX Softail, Dyna Wide Glide and 4-speed FXWG models from 80-Up

**19966** Chrome Offset Extension Brackets - Sold in pairs (footpegs not included)

Note: These peg extensions will reduce ground clearance and increase the distance from the Original Equipment footpegs to the brake and shift controls.

### Chrome Billet Footpeg Peg Mounts

- CNC-Machined from 6061-T6 billet aluminum
- 3" long with a 1 1/4" diameter clamping area fit most engine guards and any 1 1/4" dia. tubing
- Mounting hardware included
- Sold in pairs

**604304** Chrome billet peg mounts
