

Zombie Floorboard Cover by Küryakyn

Let your bike cross over to the dark side. These floorboard covers are the newest from Küryakyn's Zombie line of parts. Created from a sculpted black rubber pad with a chrome inlay. The specially designed rubber pad also helps keep your boots off the pipes.

696763 Rider floorboard covers, Fits all Touring & FLST Softail models from 80-14 with OEM rectangular floorboards

696764 Passenger floorboard covers, Fit all Touring models from 80-14

ISO-Boards by Küryakyn

A great looking and comfortable alternative to the dull OEM footboards. Rubber ISO-Ribs run the full length of the board providing both traction and comfort. Longer than stock length allows the rider to move their feet around for optimum comfort. Fits all Touring models from 83-12 and all FL Softail models from 86-14.

Küryakyn Flame Driver & Passenger Floorboard Covers

All day long, all they see are the bottoms of your boots. But when you're standing around with the crowd looking at bikes, that's when your Flame Board Covers strut their stuff. Standing out without being pushy, the chromed flame inlays play nice with the rest of the Küryakyn bling that makes your bike unique. Direct replacements for the stock floorboard covers, the assemblies sit on top of the stock steel base plates so no comfort is compromised & the raised rubber edge keeps your boots off the pipes.
