

Custom Hand Controls by GMA

GMA offers one of the cleanest hand control designs available with a variety of fitments for every possible application. These hand controls are CNC-Machined from billet aluminum and then are given either a chrome-plated, black anodized or polished finish. Controls include levers & clamps and are also available with or without switches (switch kits include switch housing, 3 momentary switches with either chrome or gloss black buttons and wiring) Assemblies fit 1" handlebars and are sold each. Made in the U.S.A.

Brake Master Cylinder Assembly

- 610340** Chrome 5/8" bore
- 610342** Chrome 5/8" bore with switch kit
- 610343** Polished 5/8" bore with switch kit
- 652958** Black Anodized 5/8" bore
- 652959** Black Anodized 5/8" bore with switch kit

Clutch Master Cylinder Assembly

- 610344** Chrome 9/16" bore
- 610346** Chrome 9/16" bore with switch kit
- 610345** Polished 9/16" bore
- 610347** Polished 9/16" bore with switches
- 652960** Black Anodized 9/16" bore
- 652961** Black Anodized 9/16" bore with switch kit

Clutch Cable Perch and Lever

- 610348** Chrome fits late model cables
- 610350** Chrome with switches fits late model cables
- 610349** Polished fits late model cables
- 610353** Polished with switch kit for use with late model style cables
- 652962** Black Anodized for use with late model style cables
- 652963** Black Anodized with switch kit for use with late model style cables

Replacement Parts

- 06719** Chrome left side switch housing with switches
- 06720** Polished left side switch housing with switches
- 610355** Black anodized left side switch housing with switches
- 06714** Chrome right side switch housing with switches
- 610354** Black anodized right side switch housing with switches
- 26091** Switch for starter, horn or turn signal (repl. OEM 71484-72)
- 27276** Chrome replacement button cap only, pack of 10 (repl. OEM 71535-72)
- 26092** Black replacement button cap only, pack of 10
- 610351** Re-build kit for 5/8" bore brake master cylinders
- 610352** Re-build kit for 9/16" bore brake master cylinders

Chrome Handlebar Control Kits

Available with or without chrome switches and complete handlebar wiring harnesses. They fit all models from 82-95. Switch housings have a smooth look with no casting groove, and the master cylinder assembly is complete with the handlebar clamp, chrome mounting hardware and a banjo bolt. The clutch lever assembly includes both styles of cable pin permitting the use of the early-style cable, as well as the latest eyelet type. The switches and wiring harnesses duplicate OEM color coding with 48"-leads (8"-longer than stock), and include all necessary terminals, pin connectors and mounting hardware. If you plan to use your existing wiring and switches, the kits are also available without electrical components.

Kits with Chrome Switches and Wiring

- 26393** With 3/4"-bore (.750") master cylinder for dual disc models from 82-83
- 26394** With 5/8"-bore (.625") master cylinder for single disc models from 84-95

Kits without Switches or Wiring

- 26273** With 3/4"-bore (.750") master cylinder for dual disc models from 82-83
- 26295** With 5/8"-bore (.625") master cylinder for single disc models from 84-95

Brake Master Cylinders

Include lever, clamp and hardware.

- 26281** Complete 3/4"-bore master cylinder (repl. OEM 45013-82)
- 26286** Complete 5/8"-bore master cylinder (repl. OEM 45019-85)
- 26364** Complete 9/16"-bore master cylinder

Individual Components

- 26276** Clutch lever assembly
- 26287** Clutch lever assembly with ergonomic lever blade
- 26278** Switch housing, right top (repl. OEM 71564-82)
- 26280** Switch housing, right bottom (repl. OEM 71563-82A)
- 26277** Switch housing, left top (repl. OEM 71567-82)
- 26279** Switch housing, left bottom (repl. OEM 71568-82A)
- 26288** Cover, replaces OEMs 45004-85, 42381-87
- 26282** Rebuild kit for 3/4"-bore master cylinders
- 26306** Rebuild kit for 5/8"-bore master cylinders
- 26275** Lever clamp only for clutch/brake (repl. OEM 45044-82)
- 12741** Chrome brake lever (repl. OEM 45064-82T)
- 12743** Chrome clutch lever (repl. OEM 45062-82T)
- 12799** 82-95 brake and clutch set (repl. OEM 45049-92)
- 26283** Nylon pin for eyelet-style cables (repl. OEM 45036-88) sold each
- 15951** Steel pin and nylon bushings for non-eyelet cables (card of 12), Replaces OEMs 45039-68, 45036-68 (card of 12)
