

## Zombie Levers by Kuryakyn

Brake away from the ordinary and clutch the gaze of onlookers with Kuryakyn's new Zombie Levers. Comfortable contours and a dished back allow high leverage with minimal reach; a gripping addition to this popular collection. Fits 96-14 H-D models with cable operated clutch (except 04-14 XL and '08-14 Dressers, Road Kings, Road Glide, Street Glide models).

## Trigger Levers by Kuryakyn

These are the finest levers on the market today. Your forefinger is the strongest finger, but other levers won't let your strongest fingers work. These levers allow the forefinger to get a 'real grip' making it much easier and comfortable to pull the lever. Your hands just fall naturally into place on these levers. Sold in pairs.

- 600728** Fits all 08-14 Touring models
- 609959** Fits all models with cable operated clutch from 96-14 (except 04-14 XL & 08-14 Touring models)

## "Euro" Style Wide Lever Blades

Our chrome "Euro" style lever blade feature a wide, smooth front surface that's easy on your fingers and looks great. Sets includes one brake and one clutch lever.

**111445** Fits all Big Twin from 96-14, Sportster 96-14

## Chrome Lever Blades for 96-13 Big Twin and Sportster Models

Replacement chrome die-cast lever blades for Big Twin 96-07 and Sportster models from 96-03.

- 111436** Chrome set (repl. OEM 45075-96)
- 111386** Chrome clutch lever ONLY (repl. OEM 45047-93)
- 111440** Chrome brake lever (repl. OEM 45046-96)

## Kuryakyn Trigger Lever Sets

These levers permit your forefinger to get a real grip, making it much more comfortable and easier to pull. Add to that the dished out backside of the levers, and you've got the best set of levers you'll ever own. Your hands just fall naturally into place. If you've got small hands, these are a must.

- 609958** Fits all models from 82-95
- 609959** Fits all models with cable operated clutch from 96-14 (except 04-14 XL & 08-14 Touring models)
