

## RBS

### RBS Spezial Bullet Grips

RBS billet grip sets are now available in our brandnew RBS bullet style. Both endcaps are refined with four 357 Magnum Bullets and it's possible to take it off and deposit money or vehicle certificate in the grips. Delivery in pairs, high polished or black anodized. For all HD models from construction year, 73-13 with single or double gascable.

See also Sec. 4,7,9,16 for additional parts.

- 687570** Polished  
**687571** Black anodized

### Custom Chrome Grip Sets

Match our extensive line of footpegs. Available with a nylon throttle pipe or an integral pipe as part of the casting in dual cable versions for all models from 73-12 (except those with handlebar air reservoirs). Sold in sets.

- 12165** O-ring grip set with nylon sleeve  
**12169** Diamond Grips, fits all models from 81-Up (except for 08-Up Touring models and models with handlebar air reservoirs)  
**604938** Diamond Grips, fits all models from 08-Up Touring models with throttle by wire  
**12166** O-ring grip set with integral sleeve  
**46113** Replacement O-rings for O-Ring grips (pack of 10)

### MW Billet Handlebar Grip Set with Marker Lights

Polished billet aluminum grips are grooved for a stylish look. They contain marker lights at the ends in which wiring can run through the grips for a cleaner look. Integral throttle pipe is machined into the grip. Sold in sets.

- 85785** Fits all models from 73-14 (except those models with handlebar air reservoirs)

### Ktech Fabric tape style grips

Fit all 1" handlebar, available to use with external cable or with our internal throttle housing, machined in polished aluminum with polished brass end cap.

- 682793** Ktech tape style grips, external throttle  
**682794** Ktech tape style grips, internal throttle

### Kustom-Tech Billet Grip Set, Footpegs and Shifter Peg
