

Shield II

The Shield II sunglasses offer a "frameless" construction. The black, red & blue gloss temples securely hold the one piece lenses in place comfortably and securely. The lenses themselves are precision crafted from shatter resistant Polycarbonate. They slightly wrap around the face to minimize wind disruption and turbulence. Shield II lens color is smoked grey, yellow & clear, offering 100% UVA/UVB ultraviolet light protection.

- 673220** Black frame with smoked lenses
- 673221** Black frame with clear lenses
- 673222** Red frame with smoked lenses

> 2x Foam Liners

> Carry Pouch (With belt clip)

> Adjustable Strap

Road Hog II

The Road Hog II epitomizes comfort, quality, and durability with the patented QRS (Quick Release System) technology, which allows ultra-quick conversion from goggles to sunglasses and back again. Includes two removable foam liners, one designed for comfort and durability, the other for unparalleled comfort. The four interchangeable lens pairs include the popular Dual Grade Reflective Lens. The ultimate goggle/sunglasses combination for true adventure junkies.
