**GOODRIDGE**

**Sniper II Brake Line and Fittings by Goodridge**

Sniper II products are easily assembled without any specialty tools and are perfect for routing through concealed areas and installation on your everyday rider. The microbore hose features clear PVC coating, PTFE inner liner, stainless steel braided armor, and polished stainless steel hardware. The micro sized hose OD allows an unmatched bend radius, making it perfect for routing through forks, frames, and bars. The PTFE liner is an inert material, compatible with all hydraulic and brake fluids, has a heat range of -158° to 500°, and shields brake systems from moisture, unlike other materials like nylon. The stainless steel armor braid is superior in pressure rating, flame resistance, and volumetric expansion to all other materials, including Kevlar, resulting in unmatched stopping power.

- 613500 Sniper II 7/16-24 straight male adapter
- 613501 Sniper II 3/8-24 straight male adapter
- 613502 Sniper II straight 3/8" banjo fitting
- 613503 Sniper II straight 7/16" banjo fitting
- 613504 Sniper II 20 degree 3/8" banjo
- 613505 Sniper II 20 degree 7/16" banjo
- 613506 Sniper II 90 degree 3/8" banjo
- 613507 Sniper II 90 degree 7/16" banjo
- 613508 Sniper II 3/8-24 straight female fitting
- 613509 Sniper II 1/8" NPT straight male adapter
- 613510 Sniper II hose collar 2 pack
- 613511 3/8-24 Stainless banjo bolt
- 613512 7/16-24 Stainless banjo bolt
- 613513 10 mm x 1.25 Stainless banjo bolt
- 613514 10 mm x 1.0 Short stainless banjo bolt
- 613516 Clear coated hose 6ft
- 613517 Clear coated hose 12ft
- 613518 Clear coated hose 25ft
