Narrow "Mustang" Style Tank

This sleek looking gas tank features dual bung type caps, holds 2.2 gallons of gas and measures 16 1/2" long, 9" wide and 7" deep. Tunnel is 2 1/2" wide x 2 1/4" deep. Center line hole-to-hole on mounting tabs is 17 1/2". Tank has two 1/4" gas outlets (use our #632252 or 632253 petcocks). This is a sweet looking tank and goes great with narrow springers or our girder set-up. Gas caps and petcocks not included. Made in USA by Paughco.
