Attitude Stick (Sissy Bars) by Cycle Visions

Old School attitude sticks are made from 9/16 round steel bar. Maltese, Dagger, Multitude and Spade styles are made from 9/16 square steel bar. Available in two sizes—30" or 18" and in either a chrome or black finish. Side plates must be purchased separately; fits all OEM and Aftermarket side plates except for Plug-N-Play. Attitude style round stock sissy bars are not designed to hold passengers but the other square stock style sissy bars were designed with passengers in mind.

Universal Attitude Stick, Fits all models & widths (except for Plug-N-Play fender mounting systems), 6.88" - 8.75"
