

Tour Pac Relocator Kit by Kuryakyn

Now, the comfort and additional room provided by our patented Relocator Kit for rigid mounted Tour-Paks is available for riders using H-D's detachable version.

As designed, H-D's Detachable Tour-Pak provides three positions: Full Forward, 1" Back, and 2" Back. Our Relocator Kit effectively shifts this range of adjustment back an additional 2" allowing you to select a position 2" back, 3" back, or 4" back relative to the original full forward position. Sold each.

Luggage Rack by Kuryakyn

Now you can have a convenient place to secure your luggage without cluttering up the clean lines of your bike. This sleek, contoured, die-cast rack is beautifully chrome-plated and incorporates raised rubber inserts to protect the surface and keep the load from shifting. The rack has approximately 70 square inches of usable area providing a stable platform for most bags without looking like the roof rack of a mini-van.

Installation requires relocation of license plate when used on Road King, Road Glide, or FLHT Standard.

629669 Fits 06-08 Street Glide, 97-08 Road King (except 07-08 FLHRSE), 98-08 Road Glide, 97-08 FLHT Standard
