

Performance Machine Contour Handlebar Controls

Contour Hand Control Complete Package

Complete PM Contour hand control package, includes brake master cylinder (9/16" only), clutch lever (cable or hydraulic) right & left 3 button switches, brake light switch, dual cable throttle housing, clutch side spacer, and even a set of our Contour grips! Will not fit 08-14 FLH models.

- 684342** Complete set with hydraulic clutch, contrast cut
- 684343** Complete set with hydraulic clutch, chrome
- 684344** Complete set with cable clutch, contrast cut
- 684345** Complete set with cable clutch, chrome

PM's Contour machined brake master cylinder is a thing of beauty! The gracefully curved one piece body, and refined internals represent the very best in CNC artwork.

Contour handlebar brake master cylinder

Optional brake light switch can be ordered separately. Designed with the custom builder in mind, billet aluminum has never looked so good!

- 684328** 9/16" bore (single caliper), contrast cut
- 684329** 9/16" bore (single caliper), chrome
- 684332** 11/16" bore (dual caliper), contrast cut
- 684333** 11/16" bore (dual caliper), chrome
- 684330** Brake light switch 9/16" bore (single caliper), includes 36" Wire leads, black
- 684331** Brake light switch 9/16" bore (single caliper), includes 36" Wire leads, chrome
- 684337** Brake light switch 11/16" bore (dual caliper), includes 36" Wire leads, chrome

Replacement levers

For hydraulic control units only

- 684296** Replacement brake lever short, black
- 684297** Replacement brake lever short, chrome
- 684298** Replacement clutch lever short, black

Contour clutch perch assembly (cable)

The PM Contour Clutch Lever and perch are perfectly matched to our master cylinder and switches. Works with stock cable. Will not work with HD switch housing.

- 684302** Early models, black
- 684303** Early models, chrome
- 684300** 84-06 models, black
- 684301** 84-06 models, chrome
- 684326** Fits models 07-14 w/ starter interrupt switch included, black
- 684327** Fits models 07-14 w/ starter interrupt switch included, chrome

Contour clutch perch assembly hydraulic clutch

All PM clutch lever assemblies and clutch master cylinders are CNC machined from billet aluminum. Bore size is 11/16". PM Clutch Master Cylinders now feature a hard anodized bore to eliminate wear. 2007's and up HD's require the use of Starter Interrupt Switch.

- 684334** With clutch master cylinder pre-07 without starter interrupt switch, black
- 684335** With clutch master cylinder pre-07 without starter interrupt switch, chrome
- 684340** With clutch master cylinder 07-14 with starter interrupt switch, black
- 684341** With clutch master cylinder 07-14 with starter interrupt switch, chrome
- 684338** Kill switch, black
- 684339** Kill switch, chrome

Contour switch housings

PM's Billet Aluminum Switch Housings are a perfect compliment to the PM Contour Master Cylinders. Available as single button or three button switch units. Includes high quality switches with 36" leads. Retains blinkers, horn and high beam switches. Can be wired traditionally or hidden inside handlebars.

Contour single button switch

- 684306** Right Side, black
- 684307** Right Side, chrome
- 684313** Left side, chrome

Contour three button switch

- 684447** Right Side, black
- 684448** Right Side, chrome
- 684304** Left Side - use with hydraulic clutch, black
- 684305** Left Side - use with hydraulic clutch, chrome
- 684308** Left side - use with cable clutch, black
- 684309** Left side - use with cable clutch, chrome

Contour FL switch housings

The popularity of on-board audio systems prompted us to offer our Contour switches with a matched audio housing. Now, even baggers with tunes can upgrade to the PM Contour hand Controls (options include, 9/16" or 11/16" master cylinders, cable or hydraulic clutch, throttle housing and matched grips) without sacrificing the convenience of having stereo and cruise control switches within reach. The PM Touring Edition Switch Housing utilizes the OEM stereo and cruise control switches for a simple install and ease of use.

- 684314** Four button switch right side, black
- 684315** Four button switch right side, chrome
- 684316** Four button switch left side, black
- 684317** Four button switch left side, chrome
- 684322** Four button switch left side (cable clutch), black
- 684323** Four button switch left side (cable clutch), chrome
- 684318** Five button switch right side, black
- 684319** Five button switch right side, chrome
- 684320** Five button switch left side, black
- 684321** Five button switch left side, chrome
- 684324** Five button switch left side (cable clutch), black
- 684325** Five button switch left side (cable clutch), chrome

Contour throttle housings

It's hard to believe such a small part could make or break the look of your hand controls, but sloppy throttle housings have ruined the look of a fair share of bikes. We don't want this to happen to you, so we created the Contour housing, designed to perfectly match our Contour master cylinder and switches. Available in single cable, dual cable and dual cable snap in.

- 684346** Single cable throttle housing threaded hole, black
- 684347** Single cable throttle housing threaded hole, chrome
- 684348** Dual cable throttle housing threaded hole, black
- 684349** Dual cable throttle housing threaded hole, chrome
- 684350** Dual cable throttle housing - snap In cable, black
- 684351** Dual cable throttle housing - snap In cable, chrome
