

**Original Style Taillight**

Chrome reproduction of the Original Equipment part used on most models from 55-72.

- 12511** Taillight (repl. OEM 68010-64B)
- 12952** Red plastic replacement lens
- 12510** White plastic replacement license plate lamp lens
- 19481** Lens gasket (pack of 10)
- 19482** Fender gasket (pack of 10)
- 19773** Chrome license bracket, replaces OEM 59995-55 (early 2-hole)
- 19770** Chrome license bracket, replaces OEM 59983-75 (late 3-hole)
- 688060** Black license bracket, replaces OEM 59983-75 (later 3-hole)

**'Laydown' Taillight Lenses**

Maintain your fender's flowing lines by simply bolting on one of these lenses. They look great when combined with one of our popular Laydown License Frames, and fit most models from 73-Up. Installation of the clear lens requires the use of one of our 'Super Hi-Intensity' red taillight bulbs.

**For all Models from 73-98 and 99 Softail Models**

- 09710** Red lens ONLY (replaces OEMs 68034-77, 68033-90)
- 09818** Red 'Blackout' lens ONLY
- 627392** Red lens ONLY with bottom tag window
- 627388** Clear lens ONLY with top tag window
- 627391** Clear lens ONLY with bottom tag window
- 15141** Red taillight bulbs (box of 10)

**For most Models from 99-E03**

Will not fit Deuce or FLSTS models. Uses the Original Equipment bulb socket assembly.

- 27376** Red lens with reflector (replaces OEM 68140-99)
- 627385** Red lens with reflector with bottom tag window
- 627386** Clear lens with reflector with bottom tag window
- 627387** Clear lens with reflector with top tag window

**For most Models from Late 03-Up**

Will not fit Deuce or FLSTS models. Mates to the 4-pin AMP connector.

- 627383** Red lens with reflector (replaces OEM 68369-03)
- 627384** Red 'Blackout' lens with reflector
- 627389** Clear lens with reflector with top tag window
- 627390** Clear lens with reflector with bottom tag window

Note: Installation of these accessories may be in violation of FMVSS Standard #108.

**LED Taillights**

Upgrade the visibility and looks of your bike with these LED taillights. Available with chrome or blacked out housing and red or smoked lenses. Fits most models with traditional style Harley OEM taillight from 99-Up.

- 688525** LED taillight smoked lens chrome housing
- 688526** LED taillight red lens chrome housing
- 688527** LED taillight smoked lens black housing
